Social Ministries' Mission for 2008; Continue with the mission commissioned by Trinity Parish, which is to support people in need. The hope as we go forward is to continue to serve the youth in order to help elevate the homeless problem at an early age, a problem that continually plagues us in this community and around the world. In January the committee will review the needs, develop a plan and identify our 2008 Outreach Partners. The major fundraiser will be a giant rummage sale at Trinity so please keep us in mind as you do your spring cleaning. Thank you for your continued support for outreach.
